The CLPC mission is to cultivate continuing leadership and help a diverse neighborhood realize a more harmonious, thriving and beautiful community.

**First Program Service Accomplishments Description****Description**

our activities, projects, and priorities. CLPC turned to virtual technology to connect with community as the stay and work from home directives were put into place. CLPC prioritized getting resource information out on COVID-19, emergency disaster funds for businesses, and rental assistance information to the community. We increased our newsletter distribution to twice a month to distribute State, County, and City information which was changing frequently. We placed information on our Facebook page and on our website. Staff took daily notes from the daily Department of Health briefings and sent out to the board for the first 2 months of the pandemic. In addition, we collected information from Hennepin County and the City of Minneapolis and distributed it to our community. We worked with small businesses daily on concerns, questions, and regulation updates. In the Spring of 2020, the pandemic was followed by the murder of Mr. George Floyd, civil unrest, and escalating violence. Local businesses and organizations were vandalized, broken into, looted and set on fire. This was followed by clean up, investigations, rebuilding and recovery by all who were impacted. We then experienced a riot on August 26, instigated by misinformation spread virtually. This resulted in businesses once again being vandalized, broken into, looted and set on fire. Once again, recovery and repair followed. Our role continued to be distribution of information, resources, and support for businesses and organizations impacted by the pandemic, the civil unrest, and the August riot downtown spilling south throughout Loring Park. COVID-19, the death of Mr. Floyd, the civil unrest, the increase in violence and lawlessness, and the economic impact on our small businesses found our organization shifting priorities, being very fluid as new needs and issues arose, and working virtually versus in person within the community. During the Summer of 2020, a large encampment of people experiencing homelessness grew in Loring Park. Due to a Minneapolis Park and Rec Board Action, City Parks became sanctuaries for those experiencing homelessness. The Governor's Executive Order protected the camp unless health and safety of those in the camp and within community were violated. Loring Park had no organization adopting it. CLPC worked with Minneapolis Mad Dads, St. Stephen's Street Outreach, Park Outreach, Hennepin County, Park Police, and a solid team of residents to ensure the park was monitored daily. Within a few weeks, the camp was infiltrated by individuals who used it as cover for bike thefts, sale of bike parts, and narcotics trafficking. There were assaults and gunfire. There was a man with a machete, and there were constant fights. We began to see thefts from businesses and break ins. By mid-summer Loring Park was identified as the most unsafe park in the system. We brought in Mad Dads during evening hours. We worked with adjacent residents, property owners and businesses, the Park Police, and Outreach groups to monitor the Park, call 911, assess the needs of each individual in the camp, remove the criminal element through arrests, and to bring resources into the camp. Handwashing stations, additional porta potties, and trash dumpsters were brought in. Outreach workers located short- and long-term housing with a goal to find shelter for each unsheltered resident. By mid-August we were down to just one individual to find shelter for. As community safety became more challenged, we continued to work with police on escalating safety issues & strategies. Communities held virtual meetings on their blocks and found ways to communicate, network, and inform each other virtually. Constituent calls and emails quadrupled during this period. One-on-one conversations and follow up directed staff and volunteer time. We continued our Nicollet Ave. Safety Coalition monthly meetings virtually, not missing one throughout this period. It provided a much needed venue of solidarity through these challenges. Our community events were cancelled per directives of the State Health Department. Again, virtually, we created a site where online concerts, theatre, and museum tours were available to the community. Our Berger Fountain task force was put on hold for the year as Park Staff needed to prioritize community needs for use of parkways, park space and focus on Encampments forming in many of the city parks. Volunteering in the Loring Park gardens continued with masking and social distancing. This provided a much needed release to city challenges. Spots for the urban food gardens filled within the first week of posting the availability. The Park and Friends for Loring Park also provided sessions on meditation and yoga for residents, much needed and well received. Organizations and churches within the community worked to retain and deliver masks, sanitizer, supplies, and food to residents needing assistance. CLPC held monthly virtual Board meetings on the operations, projects, and actions of the organization. Organizational financial reports were reviewed at each meeting. The main focus was checking in on each other, on areas of the neighborhood, on businesses and identifying new needs or issues to be addressed. 2020 was a fluid year with the focus on emerging issues as they arose.
